WHAT IS THE BEMUS POINT ADVANTAGE?

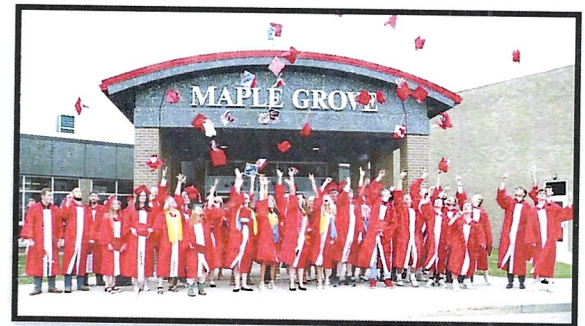

The Bemus Point Central School District is driven to create a learning environment where everyone belongs in order to provide all students with the best opportunity to achieve their **highest potential**.

Our schools, Bemus Point Elementary and Maple Grove Junior/Senior High School, provide a broad spectrum of **unique and impactful learning experiences** that will prepare students for the future and beyond. Our goal is to develop competent, well-rounded students with lifelong skills that are critical to their success.

Bemus Point Elementary School is a PreK to grade five school that serves approximately 289 students. The **teacher-to-student ratio is 1:15**. In addition to general classroom instruction, the school provides separate Technology and Science instruction, as well as Art, Music, and Physical Education classes. Band instruction is also provided to all grade five students.

Maple Grove Junior/Senior High School serves approximately 375 students in grades six through twelve. The **teacher-to-student ratio is 1:13**, and the school operates on a semester calendar. 72% of Bemus Point graduates earn a Regents Diploma with Advanced Designation compared to the state average of 39%. Historically, about 77% of Bemus Point graduates enter higher education, both two-year and four-year degree programs. 23% of graduates enter the workforce.

The **Bemus Point Advantage** is powered by the partnership between the school district and the community. We leverage the strengths of both to ignite an exceptional student experience.
